PRESIDENT'S MESSAGE

I am honored to introduce myself as the new President of Chapter 33 of the International Right of Way Association (IRWA). Thank you for the confidence and opportunity to serve our chapter during the coming year.

I have been fortunate to be part of this profession and this organization since 2020, and I appreciate the knowledge, mentorship, and friendships that IRWA has provided throughout my career. I look forward to giving back by supporting our members, promoting professional development, and helping our chapter continue to grow.

As President, my goal is to foster an engaged, welcoming, and active chapter where members at every stage of their careers feel encouraged to participate, learn, and connect. Whether you are a longtime member or recently joined IRWA, your experience, ideas, and involvement are what make Chapter 33 successful.

Over the coming year, we will continue to offer quality educational opportunities, networking events, and opportunities that support the right-of-way profession. I encourage each of you to attend chapter meetings, participate in committees, and share your ideas for how we can make our chapter even stronger.

I also want to recognize and thank our past leaders, board members, committee chairs, and volunteers whose dedication has built the strong foundation we enjoy today. I look forward to working alongside each of you as we continue that tradition.

I appreciate your support. I am excited about the year ahead and look forward to meeting and working with many of you. Together, we can continue to make Chapter 33 a valuable resource for our members and our profession.
